### PRODUCT DESCRIPTION

The Techno JOBMASTER RIGGER XtremeGrip PU/TPU offers the best comfort, safety and durability for all activities. It offers thermal insulation down to -30°C / -22°F. Techno JOBMASTER keeps your feet dry and warm in cold and wet working conditions. The boot is resistant to oils, fats, organic solvents and a variety of chemicals. The XtremeGrip PU/TPU SRC outsole offers superior safety and grip in all conditions. The red TPU area in the outsole improves the outsole performance by 10% compared to a traditional PU sole. Thanks to the best BASF polyurethane raw material this is the world's most comfortable and versatile rigger working boot. Lightweight, strong, flexible and with a durability 3 to 4 times longer compared to the traditional pvc and rubber boots. The superior durability and competitive pricing offers important cost savings. The removable, shockabsorbing and washable insoles give you the comfort you deserve. Techno JOBMASTER RIGGER XtremeGrip PU/TPU: the best and most comfortable solution for all jobs. No more heavy or tired legs after a hard day's work. Techno JOBMASTER RIGGER XtremeGrip PU/ TPU has the following certificates: CE, S4, S5, SRC (SRA + SRB), CI (cold insulation).

## ABOUT US

Techno Boots combines the quality, durability, and comfort of polyurethane boots; improving working conditions, increasing user profit and income, and offering advanced and sustainable solutions. It is founded on the mission of redefining standards in the footwear industry.

All Techno Boots models are CE certified and comply with the highest safety standards. Currently, with an annual production capacity of over half a million pairs, Techno Boots implements ISO 9001 standards and complies with rigorous health and safety regulations.

Techno Boots produces the world's most comfortable boots in Türkiye and exports them to more than 50 countries worldwide. It manufactures a complete range of polyurethane boots specifically developed for sectors such as agriculture, dairy production, food processing, slaughterhouses, commercial fishing, aquaculture, construction, mining, oil and gas, general industry, horticulture, hunting, hobbies, and cold storage.

Techno Boots are manufactured with the finest BASF polyurethane raw materials, offering extreme lightness, comfort, strength, durability, flexibility, and excellent thermal insulation.
